

**AGILE SOLUTIONS TO
COMPLEX PROBLEMS**

Applied Forge Defense Innovations LLC (AFDI) is an SBA certified Mentor-Protégé Joint Venture between AFORGE LLC, a Service-Disabled Veteran-Owned Small Business (SDVOSB) and Applied Research Associates, Inc. (ARA). Our focus is on providing innovative mission-critical solutions and services across the Department of Defense (DoD) and other governmental agencies.

What We Do

Applied Forge Defense Innovations delivers mission-driven, end-to-end solutions that empower U.S. national security operations to dominate the information battlefield. By sharpening, disseminating, and safeguarding the accuracy of mission-critical intelligence, AFDI ensures operational efficiency and precision. Our comprehensive services are designed to meet every program and mission need, enabling decisive action in the face of evolving threats:

- Systems Engineering & IT Architecture
- Strategy, Advisory, & Consulting
- Engineering & Advanced Manufacturing
- Full-Service Logistics
- Staff Augmentation & Recruitment
- Advanced Research & Development
- IT Hardware & Software Procurement

Skills & Knowledge

Leveraging decades of program experience for the military, intelligence community, and government contract engagements, we have a wide range of capabilities to support your mission:

- Program & Project Management
- Systems Architecture & Engineering
- Artificial Intelligence & Large Language Models
- Organizational Management & Leadership
- Programming, Planning & Budgeting Execution
- Operational Planning
- Technology Development & Advancement

Who We Serve

We proudly support all agencies responsible for national security throughout ground, sea, air, space, and cyber operations.

- Department of War (DoW)
- Intelligence Community
- National Geospatial-Intelligence Agency (NGA)
- Department of Homeland Security (DHS)

Why Choose AFDI?

Full-Spectrum Mission Support: We bridge strategy to execution with seamless, lifecycle-driven solutions. From precise problem framing to agile development and continuous improvement, we ensure measurable mission impact.

Decades of Mission-Critical Expertise: Backed by an average of 25+ years of leadership experience in DoW and Intelligence systems, our team possesses unparalleled insider knowledge. We use this deep operational understanding to accelerate and streamline the delivery of critical capabilities to the warfighter.

Scalable Talent Acquisition Process: Our nationwide recruiting network delivers cleared, highly qualified professionals across technical and leadership disciplines, ensuring the right expertise is in place when and where it is needed.

Simplified Vendor Engagement: Leveraging deep industry connections and extensive experience navigating the "Iron Triangle of Acquisition," we provide you with seamless access to the funding, software, and hardware essential for meeting your mission requirements.
